The Blue (E) route will be replaced by the Aqua (K) route between downtown Bloomington and Southgate Estates – effective September 2, 2008. If you currently board the Blue (E) south of downtown Bloomington and continue on the Blue (E) to a destination north of downtown Bloomington, beginning September 2nd you will be able to transfer from the Aqua (K) when it arrives in downtown Bloomington immediately to the Blue (E) and continue your trip north of downtown Bloomington. The reverse trip, from the Blue (E) to the Aqua (K), can also be made with an immediate transfer in downtown Bloomington.

The Blue (E) route will also serve a northern portion of Normal, some of which is currently served by the Orange (H) route. If you currently board the Orange (H) east of School Street and Rockingham Drive, you will be served by the revised Blue (E) route. The route through this area is not identical to the current Orange (H). Please check the map and schedule to determine your new trip details.
