

# Green (A) Revision - BroMenn Area

The Green (A) route will begin operating on a revised route, starting September 28, 2009. Franklin Ave., south of Virginia Ave., between the main entrance to BroMenn Regional Medical Center and the BroMenn Emergency Department entrance will close permanently to all traffic on Monday, September 28, 2009 in preparation for the start of construction work that will add a new tower to BroMenn. The route will travel, on its trip to Uptown Normal, east on Emerson St., turning north onto Fell Ave. The Green (A) route will then turn onto Virginia Ave., traveling west to Franklin Ave., where it will turn north and continue its regular route. The Green (A) will reverse this route revision on its return to Downtown Bloomington.

This route change does not affect the Green (A) schedule.
